I just grabbed the first one off the top but its representative of the whole. Note the LICRA Trust parcel number is written on the bottom of the first page. This way we can tie the legal description back to the Trust purchase.

You mentioned that you would send a copy of the deed notices. It would be great if I could have one by 3:00 PM when I meet with the Divisions Director. Thanks

Thanks for the information regarding the notices. I called Trevor and Clayton Eubanks at the OKAG office and left messages.
